Highway Report: Board reviewed the draft mowing/brush cutting bid notice. Will put ad into the Vermont Standard newspaper for 2 weeks. Board approved a winter maintenance agreement on the class 4 portion of the Oxbow Road. Family has moved there full time and would like to plow the road during the winter for ingress/egress. Randy and board members read a letter that had been sent into the town in appreciation of the line markings that were recently done on the North Bridgewater Road. Randy discussed with the board road work that had been done this past summer on Labor Road. Several loads of gravel were put onto the road and graded. Small section of road was not done due to limited access because of trees, which may have to be cut.

Treasurer's File: A current order sheet was reviewed and signed.

Clerk's File: An Event Permit was approved for Shackleton/Thomas for a gathering to be held on Dec. 6, 2014. The November calendar was given to the board. Nancy reminded everyone of next week's election and tax due date.

Other business: Brief discussion of the Saturday morning Fast Trash program. Seems to be generating more business/participants creating some traffic problems at the town garage. Nancy will follow up with Art Lynds.

Being no further business to come before the board, John moved to adjourn at 4:55 pm. Mary seconded the motion and motion carried.

Respectfully submitted,

Nancy Robinson
