Discussion of maintenance work that the Cemetery Commission would like done at the cemeteries; brush clean up, raking and/or mulching of leaves (removal), no grass left on headstones after mowing and being more aware and cautious of not hitting and damaging corner and head stones. Cemeteries need to be presentable at all times, particularly during the Memorial and July 4th. holidays. Will schedule a time to meet with Steve Tarleton Jr. to visit the cemeteries and review the maintenance needs. Maybe either Wednesday, April 24 or Thursday the 25th at 3:30. Nancy will follow up with Steve.

Butch and Paul are going to take care of a brush issue at Atwood Cemetery. Jim has ordered corners stones for Chisari(4) and Belisle(2) and will follow up as to delivery schedule.

Being no further business, Butch moved to adjourn meeting at 4:30 pm. Paul seconded the motion and motion carried.

Respectfully submitted,

Nancy Robinson
