

TOWN OF BRIDGEWATER
NEW BUILDING COMMITTEE MINUTES
MARCH 26, 2019

Draft

Meeting was called to order at 6:00 by Bruce Seely

Present: Bruce Maxham, Josh Maxham, Steve Tarleton, Sr., and Nancy Robinson

Visitors: George Spear & Melissa Walker

Bruce M moved to accept the minutes of February 19, 2019 as written. Steve seconded the motion and motion carried. (No minutes from March 12th as committee did not meet due to lack of quorum).

George came before the committee to let them know that he is considering selling his property located in Bridgewater Corners and wondered if this might be a good site for the new fire station. He has made the fire department and Selectboard aware of this situation. Currently has 19 rental units, the upstairs is open and usable. Water on site. Committee thanked George for this information and will explore this option.

Discussion of making a site visit to the Spear property in Bridgewater Corners. Bruce will contact George to set up a date and time. This will be warned as a special meeting for the committee.

Discussion of having another informational meeting in April or early May. Will hold off for now as committee has other options and information to gather in order to present a more comprehensive plan to the public.

Discussion of invoice from NBF Architects for \$1,977.50 for revised building plans. Will submit to the town for payment as the Selectboard approved additional expenses of up to \$2,000.00 in January.

Next regular meeting will be on April 9th.

Being no further business, meeting adjourned at 7:20 pm

Respectfully submitted,

Nancy Robinson
