

TOWN OF BRIDGEWATER
NEW BUILDING COMMITTEE MINUTES
SEPTEMBER 26, 2017

Draft

Committee meeting was brought to order by Ellen Quinn, Chair at 6:00 pm.

Present: Bruce Maxham, Josh Maxham, Brian Bontrager, Norman (Nope) Martin, Steve Tarleton Sr. and Nancy Robinson

Visitors: Andy Bird

Brian moved to accept the minutes of September 12, 2017 as written. Nope seconded the motion and motion carried.

Some of the group met on Saturday morning and flagged potential sites for a new building, trying to get a sense of space for the building and parking.

Ellen shared information regarding engineering firms. Group agrees that using the engineers that already work with NBF would be to the best advantage by not having to start all over again.

Suggestion made to meet with School Committee Group at next meeting to review building scenarios and combined plans. Brian will ask Hank, Joni and Collen to come to next meeting.

Josh will contact NBF to set up appointment for their Civil Engineer to look at site (s) so committee knows that site is "buildable". Town may need to sign a contract up front to do this week. Expense for engineering work will come from New Building Fund.

Next meeting will be on October 10th at 6:00 pm at the Fire Station.

Meeting adjourned at 7:50 pm.

Respectfully submitted,

Nancy Robinson
