

HAZARD MITIGATION
PLAN REVIEW & DEVELOPMENT
OCTOBER 29, 2025

DRAFT

Meeting opened at 4:30 pm

Present: Butch Wardwell Randy Kennedy, Josh Maxham, Mary Oldenburg and Nancy Robinson.

Paul Kowalski – TRORC

Paul reviewed the process and timeline for final edits, selectboard and Vermont Emergency Management (VEM) review and adoption.

Paul has been working on the revised plan, would like to obtain some photos of the town trucks and fire trucks in action. He has some photos of flood damages.

Committee members reviewed the draft plan page by page for clarification and edits.

Suggestions were made to review the plan each year to see if any updates or identified actions need to be addressed and to encourage residents to sign up for VTAlerts. Could put information flyers out at town meeting, fire department Facebook page and town website.

Paul will send revised plan to committee members by November 7th for final review and edits. Will then plan to present plan to selectboard in late November or early December.

No future meeting date was scheduled at this time.

Meeting adjourned at 5:35 pm.

Respectfully submitted,

Nancy Robinson
