

HAZARD MITIGATION
PLAN REVIEW & DEVELOPMENT
SEPTEMBER 3, 2025

DRAFT

Meeting opened at 4:30 pm

Present: Mary Oldenburg, Butch Wardwell, Josh Maxham (arrived later), and Nancy Robinson.
Randy Kennedy was not available for this meeting.

Paul Kowalski – TRORC

Butch moved and Mary seconded to accept the minutes of August 20, 2025 as written. Motion carried.

Paul presented a “poster” to the committee members outlining the Hazard Mitigation Plan project and next meeting date that he suggests being put around town on the website for public inclusion and support. Will post poster and next meeting date will be scheduled for Wednesday, October 1st at 4:30 pm.

Reviewed priority hazard ranking chart from first meeting. Ranking from 1-4 in Probability and Potential Impact to Infrastructure, Life, Economy and Environment. Chart was approved by committee members. Need to get follow up information from Randy regarding culvert inventory status.

Reviewed 2020 plan pages 48-52 – Mitigation and Preparedness Actions. Discussed mitigation strategies for some of the leading hazards; structural fires, flash flooding, snow & ice storms, wildfire/brush fires and hazardous materials spills. Community education would be a top strategy to make people aware of hazards.

Paul will update this information and will send draft plan to members within the next few days/week.

Next meeting date was scheduled for Wednesday, October 1st and Wednesday, October 29th. at 4:30 pm.

Meeting adjourned at 5:55 pm.

Respectfully submitted,

Nancy Robinson
